### **The Host University**

The Indira Gandhi University Meerpur, Rewari was established through an ordinance promulgated by the Governor of Haryana on Sept. 07, 2013. It started its functioning from Sept.13, 2013. The University is determined to develop all round personality of students by making them not just outstanding professionals but also good individuals with ingrained human values and commitment to expand the frontiers of knowledge for the advancement of society.

### **Department of Science and Technology, Haryana**

The S&T department was created on March, 1983. Promotion of renewable energy programmes was one of the thrust area and objective of the deptt. and most of the resources were concentrated in this direction. In 1995, State Govt. created new Department of Non Conventional Energy Sources by bifurcating the S&T Deptt. Accordingly, priority areas of Deptt were reframed.

### **About the Event: National Science Day**

National Science Day is celebrated in India on 28th February every year to mark the discovery of Raman Effect by Sir CV Raman on 28th February 1928.

The program will nurture the participants to learn about the importance of science used in daily life by displaying activities, efforts and achievements in the field of science for human welfare.

The event will include lectures from various scientists/academicians and other activities related to theme.
